## Templeton House, London

An eight-bedroom London mansion, Templeton House delights around the holidays; the property is dolled up with a 10-foot Christmas tree, gorgeous arrangements made by the property's florist, and lavish decorations. Templeton House is just one of Richstone Collection's (<http://www.richstone.co.uk/>) over-the-top private residences available for the luxury traveler to rent. The historic, 28,000-square-foot estate underwent a \$40 million renovation in 2019 to become the positively decadent residence it is today. When buying out Templeton House over the holidays, guests can work with the Richstone Collection to customize their holiday festivities to include activities like gingerbread decorating, wreath making, or even a visit from a socially distant caroling choir. Buyout rates start at £15,000 (\$19,401) per night.
